EDUCATION

University of Sydney

Doctor of Philosophy

Sydney, Australia

10/2023 – 03/2027

- **Supervisors:** Dr. Zhanna Sarsenbayeva, A/Prof. Anusha Withana, Prof. Eduardo Velloso
- **Research Area:** Human-Computer Interaction, Extended Reality, Accessibility
- **Project Topic:** Understanding and Modelling the Effects of Situational Impairments in Extended Reality
- **Scholarships:** Full Tuition Fee Scholarship, Full Stipend Scholarship

University of Sydney

Bachelor of Advanced Studies (Honours)

Sydney, Australia

09/2022 – 09/2023

- **Major:** Computer Science (First-Class Honours)
- **Supervisor:** A/Prof. Anusha Withana
- **Project Topic:** Physics Inspired Time-Agnostic Graph Neural Network for Finger Motion Prediction

University of Sydney

Bachelor of Science

Sydney, Australia

02/2020 – 09/2022

- **Majors:** Data Science, Biochemistry and Molecular Biology
- **Courses:** Human-in-the-Loop Data Analytics (91/100); Pervasive Computing (91/100); Introduction to Programming (89/100); Visual Analytics (88/100); Usability Engineering (82/100).

EXPERIENCE

School of Computer Science, University of Sydney

Casual Academic – Computer Science

Sydney, Australia

06/2023 – Present

- COMP4427/5427 Usability Engineering Guest Lecturer
- COMP4427/5427 Usability Engineering Teaching Assistant and Tutor
- INFO3315 Human-Computer Interaction Teaching Assistant and Tutor
- COMP5703/DATA5703/CSEC5703 Group-Based Capstone Project Tutor and Client

Graduate School of Media Design, Keio University

Visiting Researcher

Tokyo, Japan

04/2025 – 05/2025

- **Supervisor:** Prof. Kouta Minamizawa
- **Project Topic:** Estimating the Effects of Ambient Noise on Mixed Reality Interaction

Bosch (China) Investment Co., Ltd.

Data Scientist Intern

Shanghai, China

11/2021 – 01/2022

- Analysed the abnormal vehicles data, including finding the abnormal cells, plotting current and voltage graphs;
- Participated in the production and improvement of the PowerBI dashboard.

University College London

Exchange Summer School

London, England

07/2021 – 08/2021

- **Course:** Health Data Science and Data Analytics in Healthcare.

Shanghai Jiao Tong University

Exchange Summer School

Shanghai, China

12/2020 – 01/2021

- **Courses:** Algorithms and Analysis (89/100); Statistics of Stochastic Processes (89/100).

AWARDS

- 2025 Deputy Vice-Chancellor Research Impact Proof-of-Concept Fund (A\$79,874)
- 2025 University of Sydney Faculty HDR Grant (A\$800)
- 2025 University of Sydney CS HDR Research Support Fund (A\$5,000)
- 2023 – 2027 University of Sydney Faculty of Engineering Research Stipend Scholarship (A\$40,109 p.a.)
- 2023 – 2027 University of Sydney International Tuition Fee Scholarship
- 2023 University of Sydney Engineering Vacation Research Internship Program Scholarship (A\$3,000)
- 2023 University of Sydney Undergraduate High Honour Roll
- 2022 University of Sydney Undergraduate Coursework and Top 3rd Year High Honour Roll
- 2021 University of Sydney Global Citizenship Award

ACTIVITIES

- **Review Committee Member:** UbiComp/ISWC'25.
- **Reviewer:** CHI'25, ICXR'25, OzCHI'25, OzCHI'24, AHs'24.
- **Student Volunteer:** ISMAR'25, ISMAR'23, VLDB'22.
